

MIRADA

Brings MORE to the road...

For LESS!

High-End Value... Enviably Affordable.

Step into the new Coachmen Mirada and step into something special: a Class A motorhome with high-end features at an affordable price!

Coachmen RV, a Division of Forest River Inc., has been dedicated to giving RVers the best value for their RV dollar. Now we've focused even more on making it easier to afford the best in motorhome living. We guarantee that you'll be impressed with what your money can buy. So take a look and see the elegance, the amenities and ease of use that the Mirada brings to the road. We're leading the way in creating new travel experiences for your pleasure and your pocketbook, making today's technology work for today's RVers!

Convenient overhead cockpit storage.

Coach command center makes it simple to use many of the commonly used gauges and switches.

The optional entertainment/computer hutch is conveniently located behind the passenger seat (NA 29DS).

Comfortable dinette and sofa seating feature hidden storage areas.

Ever seen a kitchen this grand in a coach at this price point? Didn't think so. The graceful lines and designer hardware accentuate the galley's more practical features. Like the 30" residential microwave, double-door refrigerator, space-saving flush-mounted range and flush-mounted sink with Corian covers.

35DS Kitchen with optional Cognac Maple wood

Whether it's your vacation home or something more, the Mirada surrounds you with amenities designed to enhance every aspect of your motorhome experience.

Convertible Dinette

Comfortable and relaxing in any setting, the radius booth dinette is easy to take down for sleeping and is plenty spacious for enjoying quality time with family and friends.

Elegance, Made For You.

For viewing pleasure, all Miradas have a 32" LCD TV in the living room and 19" LCD in the bedroom standard.

The Mirada's luxury bath area bring the comforts of your home with you on the road.

Floorplans with bunk beds that provide an added dose of fun via optional drop-down, dual seven-inch LCD TVs with DVD and AM/FM radio. Talk about comfy movie times!

Free roadside assistance

Coachmen provides one year of free Travel Easy™ emergency roadside assistance for those who buy a new Coachmen RV. Administered by Coach-Net®, this service gives Coachmen owners 24/7 access to operational, technical and emergency road services, including towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical advice. So no matter where you go, we're ready to help!

Big benefits for new owners

Owners club discounts and more — A free one-year membership in the Coachmen Owners Association comes with the purchase of any Coachmen product. This add-on value not only provides a host of travel services and campground discounts, but also a 24/7 online service that locates needed services while offering member savings at more than 180,000 merchants across the country. And, of course, the COA is an excellent way to share experiences with other Coachmen owners through rallies and caravans.

GVWR (Gross Vehicle Weight Rating):

The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

CW (Curb Weight): The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment, and accessories can be determined by subtracting the CW from the GVWR.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

Wider Widths: Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all roads within the state to vehicle with a maximum 96-inch width, although special road usage permits may be available. Vehicles up to 102-inches in some width are permitted in the vast majority of states. You should confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the

broader array of other Coachmen models offers in the standard 96-inches width.

Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.
